PROFESSIONAL SUMMARY

Motivated B.Tech Graduate in CSE (AI-ML) with hands-on experience in developing AI Agents, Generative AI solutions, and automated workflows. Proven ability to automate complex workflows using LLMs and modern AI frameworks. Strong foundation in Data Structures and Algorithms.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, HTML/CSS

Generative AI & LLMs: Large Language Models (LLMs), Autonomous AI Agents, Generative AI

AI Frameworks: LangChain, FAISS

Data Analysis: Tableau, Power BI, Advanced Excel

Tools & Database: VS Code, Jira REST API, SQL Server

Core Competencies: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOPS)

EXPERIENCE

CyberTech Systems and Software LTD

Nov 2025 – Feb 2026

Trainee

Mumbai, India

- Developed an intelligent IT Help Desk Copilot to automate incident management workflows.
- Engineered an autonomous agent using the Jira REST API to automatically create and track support tickets.
- Integrated Large Language Models (LLMs) to reduce manual support intervention by 30%.

CyberTech Systems and Software LTD

Feb 2025 – Oct 2025

AI Internship

Mumbai, India

- Built a sophisticated RAG-based chatbot using Langchain, Streamlit, and FAISS Vector Index.
- Contributed to backend automation projects using SQL Server Management Studio.
- Developed responsive front-end interfaces and data display components using JavaScript, HTML, and CSS.

PROJECTS

Plant Disease Detection System for Sustainable Agriculture

Major Project

- Developed a deep learning system using CNNs to identify diseases from leaf images.
- Optimized model performance to assist farmers in early disease detection for improved crop yield.

Occlusion Tracker

Minor Project

- Created a computer vision system to detect and track objects in complex video sequences.
- Implemented algorithms to handle challenges where objects are partially or fully occluded.

EDUCATION

Malla Reddy College of Engineering and Technology

2021–2025

Bachelor of Technology in CSE (AI-ML) | CGPA: 6.8/10

Swami Vivekanand Junior College

2019–2021

Computer Science (PCM) - HSC | Percentage: 79%

Swami Vivekanand High School

2018–2019

Science & Mathematics - SSC | Percentage: 73%

CERTIFICATIONS

- AWS Academy Graduate - AWS Academy Cloud Foundations
- Web Development - Apna College
- Cambridge English Empower Level B2 - MRCET
